KION North America Corporation Appoints Bohnert Equipment Company as Dealer in Lexington Market

SUMMERVILLE, S.C. — KION North America Corporation has granted Bohnert Equipment Company, recently acquired by Wolter Group LLC, additional territory coverage in Lexington, Kentucky and surrounding counties.

With this territory expansion, Bohnert Equipment Company gains 38 additional counties effective immediately, adding to its already established Linde and Baoli sales territory in North Central Kentucky and Southern Indiana.

"With an established longtime commitment to superior customer service since 1934, Bohnert Equipment Company has proven itself to be a reliable and successful KION North America partner," said Michael Gore, vice president of sales, KION North America. “We are confident that Bohnert Equipment Company, paired with the resources of Wolter Group LLC, will be an asset to support our customers and grow the KION North America footprint throughout Kentucky."

###

KION North America Corporation

Headquartered in Summerville, S.C., KION North America Corporation is a member of the KION Group, one of the world's two leading manufacturers of industrial trucks and the largest manufacturer of electric forklifts. Their brand companies, Linde and Baoli, serve the specific industrial truck requirements of the U.S. Canadian and Mexican markets with a comprehensive and complementary product portfolio. KION North America produces material handling equipment known for their innovative technologies, reduced energy consumption and low operating costs. KION North America also works closely with their sister company, Dematic, the global leader in automated material handling that provides a comprehensive range of intelligent supply chain and automation solutions.
