**KION North America Corporation Appoints Kensar
Equipment Company to cover Western Ohio and Northern Kentucky**

SUMMERVILLE, S.C. — KION North America Corporation announces the appointment of [Kensar Equipment Company](#), a member of [Wolter Group LLC](#), to its dealer network effective immediately for Western Ohio and Northern Kentucky.

Kensar Equipment Company currently represents the Linde and Baoli product lines throughout Central Indiana, Western Ohio and Northern Kentucky and will gain this territory effective January 1, 2020.

“KION North America has full confidence in the customer support the Wolter Group of companies provides and the growth Kensar Equipment Company can achieve in this new market area,” said Michael Gore, vice president of sales, KION North America. “Other Wolter Group LLC companies such as Wisconsin Lift Truck and Illinois Material Handling have shown exceptional growth in market share over the years, ensuring our confidence that Kensar Equipment Company will be an asset to our dealer network.”

###

KION North America Corporation

Headquartered in Summerville, S.C., [KION North America Corporation](#) is a member of the KION Group, one of the world's two leading manufacturers of industrial trucks and the largest manufacturer of electric forklifts. Their brand companies, Linde and Baoli, serve the specific industrial truck requirements of the U.S. Canadian and Mexican markets with a comprehensive and complementary product portfolio. KION North America produces material handling equipment known for their innovative technologies, reduced energy consumption and low operating costs. KION North America also works closely with their sister company, Dematic, the global leader in automated material handling that provides a comprehensive range of intelligent supply chain and automation solutions.
